11. (C) On July 28 PolOff conveyed to MFA International  
Organizations and Conferences Department UN Division Deputy  
Director Shen Bo reftel points requesting China oppose  
controversial language that Libya seeks to insert into the

sovereignty of Sudan and its people to choose a course of  
action that was in its best interest. Shen had not received  
current details of the Security Council's discussion on this  
topic from his counterparts in New York but would discuss the  
issue with them in light of our demarche.
